

signature signlights

Signatures range of sign lanterns are synonymous for quality, strength and reliability. With well over 170 years of combined experience, from the traditional to the most up-to-date LED lanterns, Signature offers the **FREEDOM OF CHOICE** in product supply, which suits all budgets without compromising **QUALITY**. Each lantern design lends itself easily to be the perfect PFI partner, with their visually appealing profile, excellent light distribution and meeting the regulation criteria set by BSI.
